**Limited assurance report of the independent auditors of SuperDrive Investments (Proprietary) Limited (RF) to the Registrar of Banks, regarding compliance by the Issuer relating to the R 10 000 000 000 asset backed securities programme dated on or about 24 August 2011, with the relevant provisions of the Securitisation Scheme Regulations issued by the Registrar of Banks, as required by paragraphs 15(1)(a)(ii) and 16(2)(a)(vii) of the Securitisation Scheme Regulations (Government Notice 2, Government Gazette 30628 of 1 January 2008)**

### Introduction

We have completed our limited assurance engagement to report in terms of paragraphs 15(1)(a)(ii) and 16(2)(a)(vii) of the Securitisation Scheme Regulations (Government Gazette 30628 of 1 January 2008), on whether the issue of the notes by SuperDrive Investments (Proprietary) Limited (RF) (the "Issuer"), in respect of the proposed securitisation programme, comply in all material respects, with the provisions of the relevant Securitisation Scheme Regulations.

### Responsibility of the issuer

The Issuer is responsible for the preparation of, and disclosures in the Programme Memorandum dated on or about 24 August 2011 ("the Programme Memorandum") and each applicable pricing supplement concluded (the "Applicable Pricing Supplements") and the applicable other agreements and documentation, and for making available to the assurance provider, all relevant documentation pursuant to the securitisation programme and as required by the relevant Securitisation Scheme Regulations, including that described in the Programme Memorandum.

Compliance with the relevant provisions of the Securitisation Scheme regulations is the responsibility of the Issuer. Our responsibility is to report on such compliance.

**Responsibility of the assurance provider**

Our responsibility is to report on whether the issue of notes proposed in the Programme Memorandum and the Applicable Pricing Supplements comply in all respects, with the provisions of the relevant Securitisation Scheme Regulations. Our assurance engagement was performed in accordance with the International Standard on Assurance Engagements, ISAE 3000 *Assurance Engagements other than Audits or Reviews of Historical Financial Information*. This standard requires us to comply with ethical requirements and to plan and perform our assurance engagement to obtain limited assurance, expressed below, regarding the subject matter of the engagement.

**Restriction on use and distribution and limitation of liability**

This report is for the sole use of the addressees, and the South African Reserve Bank (“SARB”) if so required and for the purposes set out above. It is not to be used, circulated, quoted, or otherwise referred to for any other purpose, except for the Programme Memorandum and the Applicable Pricing Supplements, as required by the Securitisation Scheme Regulations. This report may not be referred to in any other document (except that reference may be made to its existence in any contract or other communication between the Issuer and/or the Arranger and Dealer, and/or their respective advisors, and/or ourselves), nor made available to any other party (except that a copy may be included in the collection of transaction documents memorialising the Programme Memorandum prepared for the Issuer and the Arranger and Dealer). The terms used in this report, “Issuer”, “Arranger” and “Dealer” should be read in conjunction with the Programme Memorandum.

**Summary of work performed**

Our assurance engagement was limited to an examination of the Programme Memorandum and the Applicable Pricing Supplements made available to us by the Issuer, for evidence of compliance with the relevant provisions of the Securitisation Scheme Regulations affecting the securitisation programme. In addition, we made such inquiries of management of the Issuer, as we considered necessary for the purposes of our engagement.

In a limited assurance engagement the evidence-gathering procedures are more limited than for a reasonable assurance engagement and therefore less assurance is obtained than in a reasonable assurance engagement.

We believe our evidence is sufficient and appropriate to provide a basis for our conclusion.

**Conclusion**

Based on our work performed nothing has come to our attention which caused us to believe that the Issuer will not be in compliance with the relevant provisions of the Securitisation Regulations with regard to the issue of the Notes, as described in the Programme Memorandum and the Applicable Pricing Supplements.

Yours faithfully  
KPMG Inc.
