■ Standard equipment □ Optional equipment

■ The X5 M Competition offers an increase in driving dynamics and a powerful, particularly emotional engine sound thanks to increased engine performance and M Sport exhaust system with black twin tailpipes. Distinctive exterior details in Black, the exclusive 21"/22" M light alloy wheels and the full leather trim in leather 'Merino' underline the sporty character.

□ In laser high-beam mode, BMW Laserlight in a unique X design illuminates a range of up to 500 m, nearly twice as far as that of conventional headlights. Better visibility in the dark significantly increases safety. The blue X signature and the "BMW Laser" lettering underline the vehicle's technological standards.

■ The latest version of the high-performance BMW M TwinPower Turbo 8-cylinder petrol engine guarantees performance in keeping with the latest standards. The high-revving unit develops an output of 460 kW (625 hp).<sup>1</sup> The two turbochargers stand out thanks to their cross-cylinder bank exhaust manifold with optimum response characteristics. The V8 engine is also designed for extreme loads on the race track.

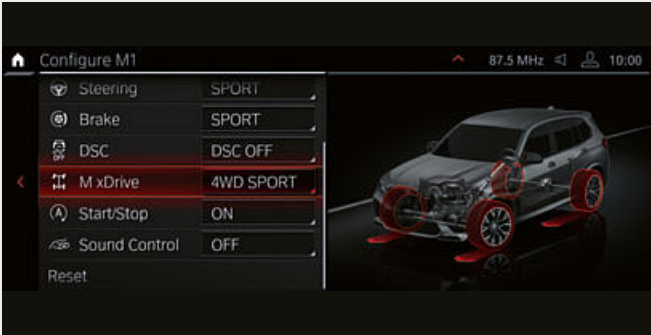

■ The centre console is equipped with a Competition Badge<sup>1</sup>, which emphasises the especially high performance of the X5 M Competition.

□ The M seat belts<sup>2</sup> \* with belt tensioner and belt force limiter boast an exquisite stitched highlight in the classic M colours.

■ The M Multifunctional seats for the driver and front passenger in exclusive design and with illuminated X5 M logo on the headrest reflect the vehicle's athletic look. Lower seat bases and high side bolsters emphasize the shell-seat look and guarantee flawless lateral support. Accompanied by a comprehensive range of adjustment possibilities, maximum comfort is achieved.

■ BMW M xDrive with Active M differential guarantees maximum traction and driving dynamics for everyday driving, as well as at the racetrack. The M specific technology combines the typical agility of a rear-wheel drive with the control of an all-wheel drive. You can choose between the two drive variants 4WD and 4WD Sport.

■ Thanks to the use of various materials, M Compound brakes achieve outstanding deceleration values and are extremely stable and highly durable. They also weigh less, which has a positive impact on agility, dynamics and acceleration. The Blue metallic brake callipers with the M designation are the hallmark of these high-performance M specific brakes.

■ The black X5 M Competition designation on the rear<sup>1</sup> is an indication of the vehicle's extraordinarily high driving dynamic potential.

■ You and your front passenger are welcomed by front door sill finishers with the "X5 M Competition" designation<sup>1</sup> as soon as you get in. The designation on the inserts in Black in the door sill finishers in the front on the left and right radiates quality and exclusivity.

■ 21" M light alloy wheels Double-spoke style 808 M Bicolour Orbit Grey with mixed tyres, gloss-lathed, front 10.5J x 21 with 295/35 R21 tyres, rear 11.5J x 21 with 315/35 R21 tyres.

□ 21"/22" M light alloy wheels Star-spoke style 809 M Bicolour Black with mixed tyres, gloss-lathed, front 10.5J x 21 with 295/35 R21 tyres, rear 11.5J x 22 with 315/30 R22 tyres.<sup>2</sup>

■ 21"/22" M light alloy wheels Star-spoke style 818 M Bicolour Black with mixed tyres, gloss-lathed, front 10.5J x 21 with 295/35 R21 tyres, rear 11.5J x 22 with 315/30 R22 tyres.<sup>1</sup>

<sup>1</sup> Only available for Competition models.

<sup>2</sup> Standard for Competition models.

<sup>\*</sup>The availability of some equipment features and functions depends on engine variants or additional options. The market and production availability may vary. You can find detailed information about terms, standard and optional equipment at [www.bmw.com](http://www.bmw.com) or at your BMW Partner.

# HIGHLIGHTS.

Discover even more with the new BMW brochures app. Available now, for your smartphone and tablet.

■ Standard equipment □ Optional equipment

■ The M Multifunctional seats for the driver and front passenger in exclusive design and with illuminated X6 M logo on the headrest reflect the vehicle's athletic look. Lower seat bases and high side bolsters emphasize the shell-seat look and guarantee flawless lateral support. Accompanied by a comprehensive range of adjustment possibilities, maximum comfort is achieved.

□ The M Sport exhaust system<sup>1</sup> delivers a dynamic sound that can be modified via the integrated exhaust valve mechanism. The SPORT and SPORT+ programmes, which can be selected via the Driving dynamics buttons, are accentuated by an even more intense engine sound, while the comfort-oriented programme prioritises more discreet engine acoustics.

■ The BMW Live Cockpit Professional with navigation function includes two high-quality displays consisting of a high-resolution 12.3" Control Display that can be operated by touch and a fully digital 12.3" instrument display. The BMW Operating System 7 can also be operated via the iDrive Touch Controller.

■ The full-colour BMW Head-Up Display<sup>3</sup> \* incl. M specific display projects all information relevant to the journey directly into your field of vision, allowing you to fully concentrate on driving. Information such as the current speed and, depending on the equipment, navigation directions, Speed Limit Info including no-overtaking indicator, along with telephone and entertainment lists are displayed.

□ The M Carbon rear spoiler<sup>2</sup> emphasises the vehicle's exclusivity and powerful, sporty design and noticeably reduces unwanted aerodynamic uplift on the rear axle.

□ The M Carbon mirror caps with M typical double-bridged design emphasise the powerful, sporty design of the vehicle.

□ The M Carbon engine cover creates a genuine racing atmosphere when the bonnet is up.

■ The 8-speed M Steptronic Sport transmission with Drivelog offers numerous shifting options, from extremely dynamic to highly comfortable, manual or automatic.

□ The Automatic air conditioning with 4-zone control allows individual climate comfort for you, your front passenger, and the right and left rear passengers.

□ The Bowers & Wilkins Diamond surround sound system\* features a 1,500-watt output and outstanding studio-quality sound for all seats in the vehicle.

□ The temperature-controlled cupholders in the centre console can individually cool or keep stored beverages warm at the touch of a button.

□ The Panorama glass roof Sky Lounge creates a generous sense of space during the day, while at night it lends an atmospheric mood with a light design consisting of more than 15,000 light elements. The light design can be switched between the six colours of the Ambient light.

□ Rear-seat entertainment Professional includes two separate high-resolution 10.2" colour screens with touch function that can be tilted and a Blu-ray drive. In this way, it becomes possible to use navigation and internet functions while driving (if a mobile phone contract exists). Additionally, a USB port and connections for MP3 players, game consoles and headphones (even wireless) are included.

□ Parking Assistant Plus makes parking and manoeuvring the vehicle easier. It features among others the Surround View system including Top View, Panorama View, Remote View 3D, as well as a lateral parking aid, the emergency braking function Active Park Distance Control, Parking Assistant with longitudinal and lateral guidance and Reversing Assistant.

□ Driving Assistant Professional<sup>4</sup> \* offers optimum comfort and safety during critical or monotonous traffic situations. Apart from the contents of the Driving Assistant, it also includes Steering and Lane Control Assistant with extended functions, Lane Change and Emergency Stop Assistant and Lane Keeping Assistant with active side collision protection.

<sup>1</sup> Standard for Competition models.  
<sup>2</sup> Only available for BMW X6 M and BMW X6 M Competition.  
<sup>3</sup> The information in the BMW Head-Up Display is not fully visible when viewed through

polarised sunglasses. Content shown will depend on the equipment options chosen. Further optional equipment is required to display specific items.  
<sup>4</sup> Function may be limited in darkness or in fog.

\*The availability of some equipment features and functions depends on engine variants or additional options. The market and production availability may vary. You can find detailed information about terms, standard and optional equipment at [www.bmw.com](http://www.bmw.com) or at your BMW Partner.

Some ConnectedDrive Services may differ between countries. Please consult your local BMW partner for more information.

# BMW M PERFORMANCE PARTS.

Equipment 24 | 25

■ Standard equipment □ Optional equipment ○ Accessories

## PERFORMANCE PARTS

○ Show your style: The frame of the M Performance kidney grille<sup>1</sup> is made of premium carbon fibre. For an especially elegant, sporty and individual look.

○ Show your style: The frame of the M Performance kidney grille<sup>2</sup> is made of premium carbon fibre. For an especially elegant, sporty and individual look.

○ With its striking shape and distinctive Alcantara grip area, the steering wheel<sup>1</sup> provides an unmistakable motorsport atmosphere in the cockpit.

○ Moving design. The M Performance roof spoiler<sup>1</sup> is made of PUR in Black high-gloss, an elegantly athletic accent for the rear of the vehicle.

○ Where dynamism meets elegance: The M Performance rear fins<sup>2</sup> are refined and powerful at the same time – emphasising the sporty look of the vehicle.

○ Even more impressive: The M rear spoiler<sup>2</sup> made of carbon fibre enhances the vehicle's sophisticated, sporty looks.

○ Make a powerful statement: carbon fibre cover and other design features make the titanium tail pipe trim seem extremely solid and powerful.

○ The M Performance door projector slides complement the BMW LED door projectors by adding four changeable M Performance images.

○ The M Performance tyre bags protect the driver and the vehicle from getting dirty when transporting the wheels. In sporty M Performance design.

BMW X5 M

BMW X6 M

The dimensions in the technical drawing are in millimetres and may vary depending on the model and equipment.

¹ The EC unladen weight refers to a vehicle with standard equipment and does not include any optional extras. The unladen weight includes a 90% full tank and a driver weight of 75 kg. Optional equipment may affect the weight of the vehicle, the payload and the top speed if the selected equipment has an impact on the vehicle's aerodynamics.  
² The actual total weight of the trailer must not exceed the maximum trailer load, taking into account the maximum tow bar download.  
³ Only with factory-fitted trailer tow hitch.  
⁴ Performance data of petrol engines apply to vehicles using RON 98 fuel. Fuel consumption data apply to vehicles using reference fuels in accordance with EU Regulation 2007/715. Unleaded RON 91 and higher with a maximum ethanol content of 10% (E10) may also be used. BMW recommends RON 98 super plus unleaded petrol.  
⁵ Electronically limited.  
⁶ The raised top speed is only available after the first service following the 2,000 km run-in period.  
⁷ The official data for fuel consumption and CO₂ emissions were determined in accordance with the measurement processes as defined by European Regulation (EC) 715/2007 in the applicable version. The ranges take into account differences in the selected wheel and tyre size. Figures have been determined on the basis of the new WLTP test cycle and have been converted back into NEDC figures for comparability. Values other than those specified here may apply for the assessment of taxes and other vehicle-related charges that are (also) based on CO₂ emissions.  
\*Height applies to M Competition model.

### BMW X6 M COMPETITION:

BMW M TwinPower Turbo 8-cylinder petrol engine, 460 kW (625 hp), Z1\*/Z2\* light alloy wheels Star-spoke style 818 M Bicolour with mixed tyres, exterior colour in Urban Green uni, M multifunction seats for driver and front passenger in full leather 'Merino'/Alcantara combination Black/contrast Midrand Beige, M 'Carbon Fibre' interior trim.

This brochure describes the model, features and configuration options in vehicles available to the international/global market. There may be deviations from the features and configuration options described in this brochure, in terms of the standard and optional equipment for the model specified for the South African market. For more precise information about country-specific vehicle versions, please contact your local BMW dealership or visit [www.bmw.co.za](http://www.bmw.co.za).

Subject to change in design and equipment. E&OE.

### BMW RECYCLING

BMW minimizes the impact on the environment over the entire life of a vehicle - from manufacturing to use and service to recycling. The foundation stone for its environmentally sound recycling is already laid during the development and production of every new BMW vehicle. By consistently applying "Design for Recycling", BMW ensures the efficient recycling of its end-of-life vehicles.

### ENVIRONMENTALLY SOUND VEHICLE UTILIZATION.

The recycling of end-of-life vehicles takes place in recognised dismantling plants for end-of-life vehicles. Every kilogram of car scrap is fed into the ecologically and economically optimal recovery route. Valuable raw materials are returned to the production cycle and the environment is relieved. The controlled return, pre-treatment, dismantling and recovery of the residual vehicle are the four stages of environmentally sound recycling of end-of-life vehicles.
