

BMW HYDRATION 2023.

# BMW HYDRATION 2023.

## PRODUCT INTRODUCTION.

### RE:THINK

BMW is rethinking its thermo bottles and creating an innovative kit of parts with functionality and sustainability at its core.

### RE:USE

Built with high-quality and interchangeable parts, this bottle can be adapted for various activities and reused without the need for additional canisters.

### RE:PLACE

These bottles are built for life. Parts can be purchased and reordered so this product will last a lifetime.
